
Week of Aug. 29-Sept. 2

Ms. Vincent's Class

Dear Parents and Guardians,

We've got an exciting week planned, as we switch over to Science and try out a new schedule! Our class website has also gone live. I will be posting this newsletter as well as other resources and pictures of your students as they come up, so check it out when you get a chance!

www.iccs4thgrade.weebly.com

This Week We Are:

Grammar: Working on using quotation marks correctly

Spelling: Long and Short O sounds

Reading: Finding the theme in our stories

Writing: Final copies of our narratives and sharing with the class

Math: Multiplication using place value, and 2 x 1 multiplication (like 26 x 7, for example)

Religion: The story of Moses and the 10 Commandments

Science: 3 States of Matter and how Thermal Energy affects them

Upcoming Quizzes

August 30

States of Matter Quiz in Science

September 2

Quotations Quiz in Grammar

Important Announcement

Our Boxtops for Education Drive is going strong! Please collect box tops off your eligible grocery items and send them in so our school can earn cash for the things we need. You can send them in any time and I will make sure they get where they need to be to be counted.
