Ms. Vincent's Class

Dear Parents and Guardians,

This is another crazy week here at Immaculate Conception! We have a half day on Tuesday, Sept. 20, and the Catholic Night Spaghetti Dinner on Thursday, Sept. 22. We are also launching our School-Wide Brag tag initiative, where your children can earn badges for their accomplishments. I hope to see you all at the Family Night on Thursday!

What are we covering this week in 4th grade?

Spelling: Getting back to basics with some blending patterns

Social Studies: Finishing up our unit on Native American Peoples

Math: Moving forward with division and strategies to solve division problems

Religion: Focusing on forgiveness and the Bible Story Joseph and the Coat of Many Colors

Reading/Writing: Continuing with our novel study on the book *Wonder*, by R.J. Palacio, and working on written responses to literature

Important Change to Homework:

*Per school policy, I am assigning Homework that should take your students 60 minutes to complete every night. Every night is different, so check your student's agenda for each day's exact assignment. There is always **30 minutes of reading** and a reading log to sign, and generally a **math worksheet** (with the day's lesson attached for an example if you or your student needs one!) as well as a **response paragraph** with a question your student should answer. Please remind your students that a paragraph should be at least 5 sentences in 4th grade!*
